

Patent, Legal & Business Research Services

At GVK Biosciences (GVK BIO), we provide patent and legal research services to a rapidly growing base of global scientific companies. New frontiers require new ways of working and we believe that to deliver the true promise of science, innovation is necessary. We combine Science, Innovation and Intellectualism to help our clients address their IP and business related challenges. Our customers benefit not just from lower costs and boosted efficiencies, but also from the infusion of fresh ideas and thinking.

GVK Biosciences (GVK BIO) is Asia's leading Discovery Research and Development organization. GVK BIO provides a broad spectrum of services, stand-alone and integrated, across the R&D value chain. GVK BIO is part of the billion dollar GVK Group with operations in Energy, Airports, Transportation, Realty, Life-sciences and Hospitality.
